

## Choral Scholars Program

Dear UConn Student,

Congratulations on your acceptance to the University of Connecticut. You have chosen a wonderful school with great opportunities to explore your interests and learn more about what brings you a sense of joy and fulfillment.

St. Mark's is an Episcopal church located on the campus of UConn, North Eagleville Road, alongside other faith communities. Our choir is an essential part of our prayer experience. Students who enjoy singing and desire to grow as an artist are invited to apply for our choral scholarship and become a member of the choir. Recipients will receive \$750 for each semester they participate.

The choral scholars program is supervised by the music director and organist of St. Mark's, Dr. Charles Houmard. Under his direction, St. Mark's asks that during the semester, choral scholars attend a weekly rehearsal (time to be determined at the outset of the fall semester) and lead Sunday morning worship (10 am service) as well as special liturgies (to be determined). Once accepted into the program, choral scholars may participate each upcoming semester with the approval of Dr. Houmard.

Applicants are asked to complete the form on the reverse side of this page and schedule a time to speak with Dr. Houmard by calling the church office. Interviews are scheduled as students apply until all times are filled. If you are interested in the program, be sure to apply soon.

Thank you for considering the choral scholars program at St. Mark's. We wish you all the best in your time at UConn.

Rev. Brian D. Blayer  
Rector, St. Mark's Episcopal Chapel
